## About Our School

Students reach demanding academic, social, and emotional goals in our student-centered learning environment. They use computers and SMART Board technology in all subjects, and engage in self-exploration via Advisory, electives, and after-school offerings. Parents appreciate our focus and attention to each student's background, special gifts, and learning style. Computer School students make numerous trips to New York City cultural institutions to magnify their learning experiences. Students leave The Computer School exceptionally well-prepared for high school.
