Average for Similar Schools	87%	86%	87%	87%	15%	16%	7.6

Quality Review Score: Developing (2012-2013)

About Our School

Isaac Newton Middle School (INMS) is dedicated to developing mathematically and scientifically knowledgeable students. High expectations for students include active learning experiences to develop problem solving skills. INMS offers curriculum that develops the abilities of all learners. We celebrate the voices and culture of our students, school, neighborhood, and city. Students proudly say, "We have great teachers." Students also say, "We have to work hard, but we learn a lot and have fun while doing our work. Our school is like a second home." Families appreciate the "open door policy." Extended Learning Time (ELT) with Citizen Schools provides opportunities for 6th and 7th grade students to explore different careers through apprenticeships and get additional time for academics. 6th and 7th grade ELT is Monday to Thursday until 6PM. Union Settlement provides opportunities for our 8th graders to get additional academic support, participate in sports, art, and clubs. City Year works with our students during regular school hours and also during extended learning time. Our partnership with CFES (College for Every Student) focuses on college readiness, community service, and mentoring.

Extracurricular Activities and Clubs

Cooking, Computer Robotics, Gardening, Video Production, Drumming, Web Design, Healthy Living

Special Programs: Peer Leaders, Student Government, CFES Scholars

CHAMPS Sports – Co-ed: Baseball, Basketball, Cheerleading, Double-Dutch, Soccer, Track & Field

Admissions Priorities and Programs

Admissions Priorities

1. Open to students and residents of District 4

Program Name	Code	Program Focus	Admissions Method	2014 Seats	2014 Applicants
Isaac Newton Middle School for Math and Science (M.S. 825)	M825S	Math & Science	Screened	120	306
Selection Criteria: <ul style="list-style-type: none"> • Demonstrated interest in Math and Science • Review of Attendance • Student Interview • Teacher Recommendation 					

Consistent with New York State law, State ELA and Mathematics test results will not be the sole, primary, or major factor in admissions decisions. Instead, multiple measures, which may include State test results, will be used to make admissions decisions for screened programs.
