**About Our School**

Entrada Academy strives to continue to help students grow academically, socially, and emotionally. We assess students at the beginning of the school year to determine where students are and work throughout the school year to develop skills and strategies that will help students prepare for high school, college, and beyond. We have a guidance team that works with students by providing them with opportunities to participate in individual and small group sessions. We believe all students have the potential to learn and we provide avenues through our PBIS program to recognize and highlight positive behavior and schoolwork.
