About Our School

At The Nicholas Herkimer School, we believe that student learning is the chief priority, and that all students can learn to their fullest potential. We accept the responsibility to challenge all students to attain higher levels of achievement. Working within our community, our students will develop their individual talents, critical thinking, and technology skills by being actively engaged in the learning process. Our continuous commitment to improvement will ensure that our students are well-rounded, self-directed, lifelong learners who have the tools necessary for career and college readiness in a changing world.
