About Our School

I.S. 125 is a well developed school that houses grades 5, 6, 7, and 8. We provide instruction to a very diverse population of students from over sixty countries. Though a large school, we provide a safe, welcoming, and nurturing environment through our small learning communities. Students are divided into four Houses with a dedicated assistant principal, guidance counselor, and dean. Students take the majority of their classes within the floors of their house. I.S. 125 offers an extensive arts program where students choose between art, drama, dance, chorus, or orchestra. Performances during the day and evening are offered throughout the school year. I.S. 125 has a unique accelerated program which provides the opportunity for gifted students to sit for the Earth Science, Integrated Algebra, English, and Social Studies Regents and Foreign Language proficiency. Students graduate from I.S. 125 fully prepared for high school, and by extension, college and career. Parents are an integral part of the I.S. 125 community. They are valued members of the School Leadership Team, PTA, and various other committees. We hold evening events, including a multicultural show and dinner. Weekly parent ESL and computer classes are offered.
