About Our School

Channel View School for Research is an Expeditionary Learning school that develops character through student participation in Crew (advisory groups); energizes student motivation and engagement through high-level tasks that connect students to the real world; sets clear expectations for respect, responsibility, teamwork, contribution, and commitment to high-quality work; builds a school culture where students feel safe, respected, and pushed to do their best; develops the critical thinking and problem-solving skills needed to succeed in college and beyond; and believes that families are vital partners in forming strong connections between school, home, and community. We are also proud to offer an ASD Nest program for students on the higher end of the Autism Spectrum Disorder.
